# STOP THE NAZIS! BACK THE ANL!

The BNP have five council seats in Britain—three in Burnley, one in Blackburn and one in Halifax. The Nazis have won these seats by campaigning against asylum seekers, exploiting the climate of racist hysteria being pursued by sections of the press and by the government.

The BNP will be standing over 200 candidates in May's local elections. They hope to win more seats by posing as a respectable alternative to the mainstream political parties.

We can stop them—if we campaign against them and fight them wherever they organise. The BNP are a Nazi party who are lying and conning their way into town halls. We kept them in the gutter in the 1930s, the 1970s and the early 1990s, and we can do it again.

No matter what problems people face, the Nazis can never be a part of the solution. They create more division, hatred and racist violence. Help the campaign against the Nazis by making a donation to the ANL. Every penny counts to help produce factsheets, posters and stickers.
