

BNP nailbomber Copeland. He murdered three people, saying, "My aim was political...to cause a racial war...all the white people would go out and vote BNP."

Griffin is guilty of race hatred and Holocaust denial. He wants "to back up the slogan 'Rights for whites' with well directed boots and fists...power is the produce of force and will".

DON'T LET THE NAZIS DIVIDE US

The British Nazi Party is out to con us. It wants us to believe that white people are discriminated against and Asian people are favoured. It wants us to blame Asians for all our problems, to divide us.

Don't believe the Nazi lies. No matter what our problems are, the Nazis can never be part of the solution. They are the problem.

Of course we have lots of problems—poor housing, low paid jobs and unemployment, schools and hospitals that are falling apart, and kids who have no future. This isn't the fault of Asian people. It isn't the fault of Muslims.

Just like Hitler in the 1930s, the BNP want us to scapegoat ethnic minorities. Hitler started with blaming the Jews for being "different", for speaking their own language and having another culture. Sound familiar? It ended with 6 million Jews killed in gas chambers, along with 5 million others. Hitler crushed democracy, banned trade unions and even out-

lawed the Boy Scouts!

The BNP would do the same. That's why Griffin denied the Holocaust happened—so that he can repeat it in the future.

The BNP Nazis love Hitler—they admire him and follow him. They want one thing—to destroy our multi-cultural and multi-racial society. This is leading to racist attacks, violence and intimidation.

Violence accompanies the Nazis. In the area around the BNP HQ in London, racist attacks soared by 210 percent and there were four racist murders, including Stephen Lawrence. When the BNP got a councillor elected in 1993, racist attacks increased by 300 percent in east London.

We can't wait until there are dead bodies We need to stand up to the Nazis and expose their lies now—before it is too late.

We are the majority. The Nazis are a tiny minority. We need to keep it that way, by uniting against race hatred and fighting for peace.
