

# Anti Nazi League

## NO NAZIS IN OUR COLLEGES

One good reason why you should join the ANL

### It starts like this...

He is the nail bomber

He is the leader of the BNP

### And ends like this...

Nazis like the British National Party, National Front and National Democrats are desperate to build in our universities and colleges. They want to emulate the rise of Nazis across Europe, from Haider in Austria to Le Pen in France.

The British National Party desperately craves electoral respectability and it is making gains. In Herefordshire the BNP had a parish councillor elected unopposed in the Bromyard and Winslow ward. The BNP's total vote in the London Assembly elections in June was over 40,000 votes. In Bexley in south east London where the BNP used to have its HQ it came second in a council by-election in July gaining 26 percent.

The Nazis in Britain are gaining these votes on the back of William Hague and the Tory press playing the race card. BNP Führer Nick Griffin says: "The asylum seeker issue has been great for us."

The National Front has increasingly tried to hold demonstrations across Britain against asylum seekers. The Anti Nazi League has mobilised to stop them on every occasion.

In the last year there have been anti-Nazi campaigns

at colleges across Britain.

**LEEDS UNIVERSITY:** Two students were longstanding members of the BNP and tried to organise on campus, and lecturer Frank Ellis attended a conference in America with members of the Ku Klux Klan.

**UNIVERSITY OF EAST ANGLIA:** Professor Charmley wrote a letter to Holocaust denier David Irving wishing him every success in his libel trial. The student magazine *Concrete* had to be impounded because it carried a two-page interview with a leading Nazi.

**SALFORD UNIVERSITY:** A Nazi student was beginning to organise but was caught when he sent a racist e-mail to Sukhdev Reel, mother of Ricky Reel who was murdered by racists.

Students were active in all these campaigns to keep Nazis and racists out of our colleges. We must continue to build a mass ANL to ensure the Nazis never get a hold in our colleges. Every college should affiliate to the Anti Nazi League. Every student can help build Students Against the Nazis.
